Hi Paula, I am attaching a revised draft of the study methods, which incorporates your comments on the previous draft, as well as clarifying a few other issues, again based upon our discussions. Please review this document and clearly confirm your agreement with the content, or alternatively provide recommendations for revision. Many thanks, Sue

Hi Susan,
Looks appropriate. The only statement that needs 'tweaking' is the following:

This statement is close, but I can only remember this happening twice (2) over the entire length of the study.
Good luck, Paula
